Dear Supporters of Minnesota PTA-

Like all of you, we at Minnesota PTA have been trying to wrap our heads around this ever evolving situation surrounding COVID-19. Our top priority is the health and safety of our families, students, members, and friends. All members of the Board of Directors and office staff have been in frequent contact these last few days. Additionally, we are taking guidance from the Minnesota Departments of Health and Education as well as the CDC and National PTA.

Therefore, in accordance with Minnesota PTA State Bylaws and a unanimous vote by our Minnesota PTA Board of Directors, the April 18, 2020 Convention is cancelled. We are currently looking ahead for possibilities to reschedule and will be in contact as plans develop.

Through these challenging times, please remember to give yourself, and others, grace, patience, understanding, and maybe some extra space.

Yours at Minnesota PTA,

Heather Starks, Amy Nelson, Deborah Seelinger, Carla Ries, Zandy Zwiebel,
Cathy Nathan, Christine Jannetto, Sara Bilyeu, Brett Herbers, Thuy Ros,
